

Native Title Determinations

As at 30 June 2026

Determined Outcomes

- Native title exists (exclusive)
- Native title exists (non-exclusive)
- Native title does not exist
- Native title extinguished
(Not within determination area)

Some or parts of some determinations may not yet be in effect or on the National Native Title Register (NNTR). The court may decide that the determination of native title will take effect conditional upon some future event occurring, for example, the registration of an Indigenous Land Use Agreement or the establishment and registration of a prescribed body corporate (PBC). In these cases the determination, or relevant part, will not be registered on the NNTR until the condition has been met.
